

# STEP BY STEP - SIGNATURE LOOK

*Step by Step*

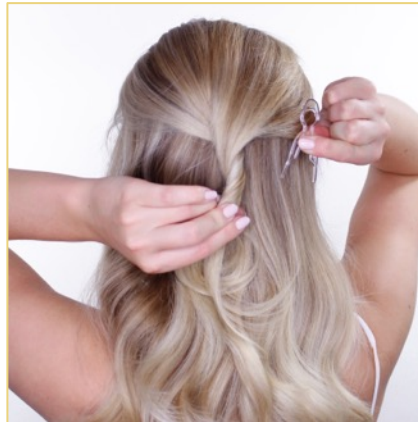

Step 1. Part your hair the way you usually do, side or middle will work.

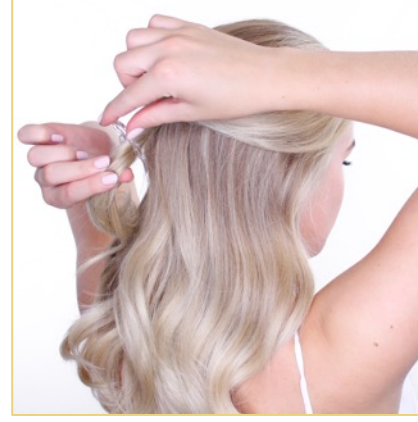

Step 2. Grab a section of your hair approximately two fingers wide on each side of the part.

Step 3. Loosely twist the sections around to the back of your head where both parts will meet.

Step 4. Hold the twisted parts sections between your thumb and forefinger. and use your fingers on one hand to loosely spread the **No 1 Hairpin**.

Step 5. Carefully slide in the **No 1 Hairpin** upwards, along your scalp, always slide the pin in opposite direction to secure a firm grip.
